MINUTES OF THE 34TH ANNUAL GENERAL MEETING OF THE WELLINGTON COLLEGIANS CRICKET CLUB HELD ON MONDAY 9 AUGUST AT THE CLUB ROOMS, ANDERSON PARK.

The meeting commenced at 7.30pm, chaired by Graeme Carruthers.

Apologies

Apologies were received from D Hunt, C McKenzie, J Brown, L Macer, R Pope, and Preston Marra.

Minutes of the 33rd Annual General Meeting.

The minutes of the 33rd Annual General Meeting were accepted as a true and correct record.
G.Carruthers/P.Marra

Adoption of the Annual Report

Paddy Marra spoke to the annual report. He reflected on the year, particularly the success of the women's team and the men's senior reserve team. He made two particular points.

- There was reason to be very concerned about sports clubs' future access to Pub Charity funds. Under planned legislation, only registered charities would be able to access these funds, and it was not clear that sports clubs would be able to register as charities. They were not regarded as charities under present legislation. Paddy suggested that members might like to take an interest in this matter and take up the issue with appropriate people.
- He thanked Graeme Carruthers, Peter Palmer, Will Sadler and Dilip Deva for their hard work as office holders during the year. He also thanked other committee members, particularly those retiring for their support and contribution during this and previous years.

Graeme Carruthers congratulated the committee on its hard work during the year and particularly noted the financially healthy state of the Club.

The Annual Report was duly adopted.

P. Marra/G.Carruthers

Financial Reports

Paddy Marra noted that the accounts revealed a significant surplus for both the Senior and Junior Clubs. This had been achieved because of two main factors:

- significant grants from the NZ Community Trust
- for the senior club, a high level of payment of club fees from players.

However, he noted that bar takings were somewhat down from previous years, partly reflecting the weather. However, he urged players and supporters to support the Club's social activities.

The Financial Reports and Balance Sheet were duly adopted.

P. Marra/B Steele

Election of Officers

The following officers were duly elected.

Patron	Sir Paul Reeves
President	Brett Windley
Senior Vice President	Vacant

Secretary	Emma Marriott (subject to confirmation of availability)
Treasurer	Will Sadler
Club Captain	Dilip Deva
Management Committee	W Bedford, P Bedford, G Neale, R Standish, G Haines, M McLean, P Marra, B Watson.
Delegates to Cricket Wellington AGM	P Marra, S McHardy, W Bedford, D Deva, M. McLean
Hon Auditor	G Sugden

Club Subscriptions

Paddy Marra pointed out that it was difficult to set subscriptions until the Club knew what support it would be getting from pub charities. An application for significant financial support had been lodged with NZ Community Trust but the outcome was not yet known.

It was agreed that setting subscriptions should be left to the incoming committee to decide.
P Marra/A Hill

General Business

The following points were raised in general business.

- Dilip reported that Past President P P Henley had passed away during the year. The meeting stood for a minute's silence as a mark of respect for Mr Henley.
- Dilip thanked Will Sadler for arranging the printing of the Annual Report at no cost to the Club.
- Dilip reported that he had updated the addresses of life members and vice presidents and had forwarded them all copies of the Annual Report. As a result some donations had been received.
- Tania McCord recorded her thanks to the Club for the support it had given to the Super 8 team – in particular, from Wainui Bedford.
- Darrin Wilkinson raised the question of coaching services for the senior club. Paddy reported that attempts season had been made to obtain a coach for last but it had proved difficult to find someone suitable with the time available. He reported that Scott McHardy had asked James Franklin (who was currently playing cricket in England) to look out for a fast bowler with a coaching certificate.
- Paddy reported that Club was on the look out for some batsman for the senior reserve team and for a couple of quick bowlers.
- A number of members indicated that a group of 2A players may want to create their own team. This could create some holes in the 2A team.
- Mal McLean reported on discussions with the Wellington College coach regarding rebuilding the relationship with Wellington College to encourage more school leavers to join the club, and to work more closely with the Junior Club.
- Scott McHardy reported that the pre-season nets were booked from 1 September until labour weekend. All players were welcome.
- Graeme thanked retiring Secretary Peter Palmer and retiring committee member Brian Steele for their contribution over the last few years.
- Wainui expressed thanks to Graeme as retiring President, for his support over the last two years.

The meeting closed around 9pm.

PRESIDENTS REPORT**BRETT WINDLEY**

It was a pleasure to return to cricket club scene as I started a 2 year commitment as President. I was soon given an early reminder of where I was as I fronted up to my first committee meeting on a cold winters evening in June last year. It is nice to know that some things don't change. However, I was soon encouraged as I quickly appreciated the very conscientious and skilled effort, ably lead by Paddy Marra that the committee gives to the club. I'll come back to that later.

On the playing side, one must express a little disappointment that the Senior Men's team did not achieve promotion and the Senior Women's Team could not maintain their high standards they set from the previous year as grade champions. However there were some notable results in the heart of the club as noted in the Chairman's Report.

The Junior club continues to run very efficiently and with excellent playing numbers. It is nice to reflect and we can say this now that this is where it all begins as witnessed by the home grown success of Jimmy Franklin. Congratulations Jimmy on your Black Cap selection and to others who made representative honours.

We have been fortunate to have had the services over recent years of Scott McHardy who has now decided that it is time to move on to other challenges and responsibilities. Thanks Monty and all the best for the future.

We will also be losing the services of a few of committee members, Will Sadler, Mal McLean and Wainui Bedford who have given the club dedicated service. We hope to see you back in the ranks again in the not to distant future. Thanks for your contribution.

The apparent lack of success I referred to earlier with the Senior team has had a positive note. During the winter the committee has revisited a number of areas of the Club – its structure, communication, planning and organisation. We have listened to the group of players from the likes of surveys and interviews and are now ready to put in place a structure and processes that will negate a few misconceptions that seem to exist, and make the running of the Club more transparent. I have always believed that the game is for benefit the players, not Administrators. This review, with a few pieces to be finalised, and the sound financial position that the club is in, will enable us to start the new season on the 'front foot'.

CHAIRMAN'S REPORT

Paddy Marra

Three year's ago the Committee set itself three major objectives, to get our Senior Men's team back into Pearce Cup, our Women's team back into the senior grade and our Senior Reserve Men's team promoted from Senior 3 to Senior 2. Over that time we achieved two out of three of those objectives with the bonus of our Women's team winning the Women's Championship last year. However the final objective of getting back into Pearce Cup continues to elude us.

However, having said that we can say that we had a good season with two grade winners (2C and 4A) and two other teams that also went close to winning their grades with the result still in the balance in the final games of the season. We can also say that we had a very good season financially and I will come back to this later.

This year the objective is to again try to win promotion into Pearce Cup, and while Scott McHardy has retired and we have lost a couple of other senior players, we have already over the winter had a number of additions to the Club of players who have had senior or higher level experience. Ian Fisher, from Gloucester, who played a few games for us after Christmas last season when he was in Wellington on holiday, has agreed to join the Club as Coaching Coordinator and will oversee coaching from the Junior Club to the Senior team and will also be available to play for the Seniors.

Through James Franklin, we have been able to recruit Taraia Robin who played with Jimmy in the NZ Youth team and who debuted for Central Districts as a 19 year old. Taraia is a quick bowler and lower order batsman and we welcome him to the Club.

Once again we congratulate James Franklin on his selection for the Black Caps and Amanda Cooper for her selection for New Zealand A and the Wellington Blaze.

While the batsmen did not really fire this year in the men's top grades (Nish Goyat being the top senior run scorer with 475 runs – last season he scored over 500 runs and Monty over 600 runs), there were a few notable performances with the ball with Garrick Sutherland and Julian Brown both taking 6-fors for very few runs and Glen Eglington getting 7 for 18 in a Senior 2 match. The standout bowling performance was Nathan Brown's 8 for 48 in a 2A match as part of his 34 wickets for the season.

The outstanding team performance had to be the 2C team who went through the season unbeaten to win the grade and we had a similar outstanding performance in the Junior Club where the Premier teams (both Pre and Post Christmas) also went through the season undefeated with 14 wins from 14 games.

There are also numerous other very good performances that are mentioned throughout this Annual Report.

Our Junior Club remains one of the strongest in Wellington both by numbers, quality of administration and through members representing Wellington at various levels and tournaments and there is a comprehensive report on the Junior Club later in this Annual Report.

The Club had an excellent year financially, with a surplus of \$23,479 and with both the Senior and Junior Clubs recording surpluses of \$12,355 and \$11,124 respectively.

Having said that the Club is in a very good position financially, all New Zealand sports clubs are concerned about legislative changes currently before Parliament. This was raised in my report last year, but following representations from numerous sports clubs

and organizations some changes have been made to the Bill. However, what is clear is that the amount of money coming from the Pub charities that run the gaming machines in Pubs is getting smaller and the demands on these funds are getting bigger. We were very lucky last year in that after initially being turned down for grants we were able to file smaller grants for coaching and other administration costs and have these granted. Already this year, our first grant application for winter training has been reduced to around two thirds of our application.

During the past season the Club received \$31,250 (previous season \$31,200) in grants, primarily from the New Zealand Community Trust, but also from the Lion Foundation, for which we are very appreciative and thank the New Zealand Community Trust and Lion Foundation for their sponsorship and grants.

We also wish to thank Cricket Wellington who also provided a coaching grant and Avery Ford who provided a car for part of the season for our coaching staff.

I would also like to thank Wholly Bagels for their support during the past season and all our other donors and supporters listed elsewhere in this Annual Report.

I would like to thank the Committee for their work during the past year, particularly Dilip Deva for his work as Club Captain and for looking after the Clubrooms and the Bar. I would also like to make a special thank you to retiring members of the Committee, especially Mal McLean, who has headed off overseas on his OE.

Before I close I would like to make special mention with regard to the past contributions from Scott (Monty) McHardy who retired at the end of last season after two great stints with the senior team, and also Wainui Bedford who is not standing for reelection to the Committee and who is also standing down as manager of the senior women's team, where she made an outstanding contribution.

CLUB CAPTAIN'S REPORT

Dilip Deva

This season Club entered 7 men's and 3 Women's teams. In the Men's grades the Club entered a Senior team (Hazlett Trophy), which is the second tier senior grade in the competition, plus a Senior 2, 2A, 2C, 2D and two sides in the 4A one day grades. In the Women's grades the Club entered Senior Women's and two Super Eights teams.

All the grades got away to a solid start, with most teams recording early season wins. It was looking very promising for the club at Christmas with four teams leading their grades. In particular the senior reserve team which were promoted to Senior 2 from Senior 3 the previous season, leading after some miraculous results. Crucial losses to Onslow and then Karori in the last game of the season, in two day matches cost them the championship. They place 3rd in the competition.

Outstanding performances for the club came from the 2C team. They were too strong for their opponents and were placed 1st in the competition being unbeaten throughout the season. The Club entered two one day sides in the 4A grade and our 4AA went on to win the competition.

In the Women's competition the Super Eights section two team had a wonderful season and they lead all the way until their last match. Sadly they couldn't win the most important last game and they placed 2nd.

Representative Honours: James Franklin: New Zealand ODI's and Test Team and Wellington Firebirds; Nishant Goyat: Wellington Development team which tour to Australia; Aaron McCash: Wellington U19; Amanda Cooper: Wellington Blaze; Sally Morrison as Manager of Wellington Blaze. Hannah Bedford, Priya Patel, Olivia Dean were all members of the Wellington secondary School squad. They were also selected for the Wellington U19 team to tour Australia with Wainui Bedford as Manager.

Acknowledgements: Thank you to all the sponsors DB Breweries Ltd, Wholly Bagel, New Zealand Community Trust, Lion Foundation and Avery Ford (now Capital City Ford).

Special thanks to Brett Windley (President), Paddy Marra (Chairman), to the club social committee of Ryan Standish, Dilip Deva and Phillipa Bedford. Also to former Treasurer Will Sadler, now in Brisbane, and to the management committee.

Finally I would like to thank to all teams captains. They have been absolutely wonderful to work with and certainly it made my job lighter. In the coming season the Senior Men's team will have a new captain as Scott McHardy has retired. Overall I thought the Club had a successful season and I am looking forward to the up coming season.

JUNIOR CLUB REPORT 2004/05

Nigel Royfee

SUMMARY

The 2004/05 season was again a successful one for the Junior Club, both on and off the field as we aimed to provide a positive cricketing environment and support to all our Primary School players aged 5 to 14.

As a Committee we actively seek to optimise player and parent enjoyment in their involvement with both cricket and Collegians, by maintaining a level of support unrivalled by any other junior club.

Whilst our numbers dropped from 2003/04 with 361 players and 35 teams Collegians retained its status as the largest junior cricket club in Wellington.

Highlights of the 2004/05 season included, the undefeated Premier teams (both Pre and Post Christmas) with 14 wins from 14, the continuation of a well received and popular pre-season Spring training program open to all hard ball cricketers, and the recruitment and use of professional coaches.

FINANCIALS

Once again the Junior Club was able to secure grant funding from the New Zealand Community Trust, this helped fund the pre-season Spring training, purchase balls and replenish our team gear and pay for our administrator.

Towards the end of the season we welcomed Wholly Bagels as sponsor of Player of the Day and Player of the Season Trophies and look forward to working with them next season.

We were very fortunate in that the senior club obtained grant funding which covered our junior coaches during the season; this enabled the Junior Club to make an operating surplus of \$11,126.

We are aware that grant funding getting harder to obtain and feel that the level of reserves the Junior Club has built up to be adequate, but the Committee will continue to seek sources of funding to allow us to deliver the support to our junior members that we have done over the past three years.

JUNIOR COMMITTEE

The Junior Club is indeed fortunate to have a very active and hard working Committee. During the off season we have been working on recruiting further members to share the workload. We are continuing with the services of a paid Administrator with Emma Lawler returning for a second season.

We said farewell to a couple of longstanding committee members, Greg Forsythe and Jim Heffernan at Christmas as their boys left for College. Thanks go to Greg and Jim for all their efforts on behalf of the Junior Club.

At the beginning of the 2005/06 season the Committee was made up of the following individuals:

Convenor	Nigel Royfee
Secretary/Administrator	Emma Lawler
Treasurer/Tournament Coordinator	Andy Fulbrook

Senior Club Chairman	Paddy Marra
Gear Manager	Dilip Deva
Coaching Manager	Tony Dawbin
Hard Ball/U11 Coordinator	Graeme Sugden
Website Coordinator	Charles Thompson

The committee was assisted by the following Grade Co-ordinators:

Nursery	Ross McElwain
Under 7	Doug Martin
Under 8	Simon Cooper
Under 9	Susan Laurenson
Under 10	Barry Davey

MEMBERSHIP/TEAM STATISTICS

Player numbers in 2004/05 dropped from 406 to 361, primarily flowing on from a large group of year eights leaving in the previous year. This trend was mirrored throughout Wellington Junior Cricket.

We are generally holding our position as the largest clubs in most age groups; the U10's being a glaring exception with only two teams being fielded

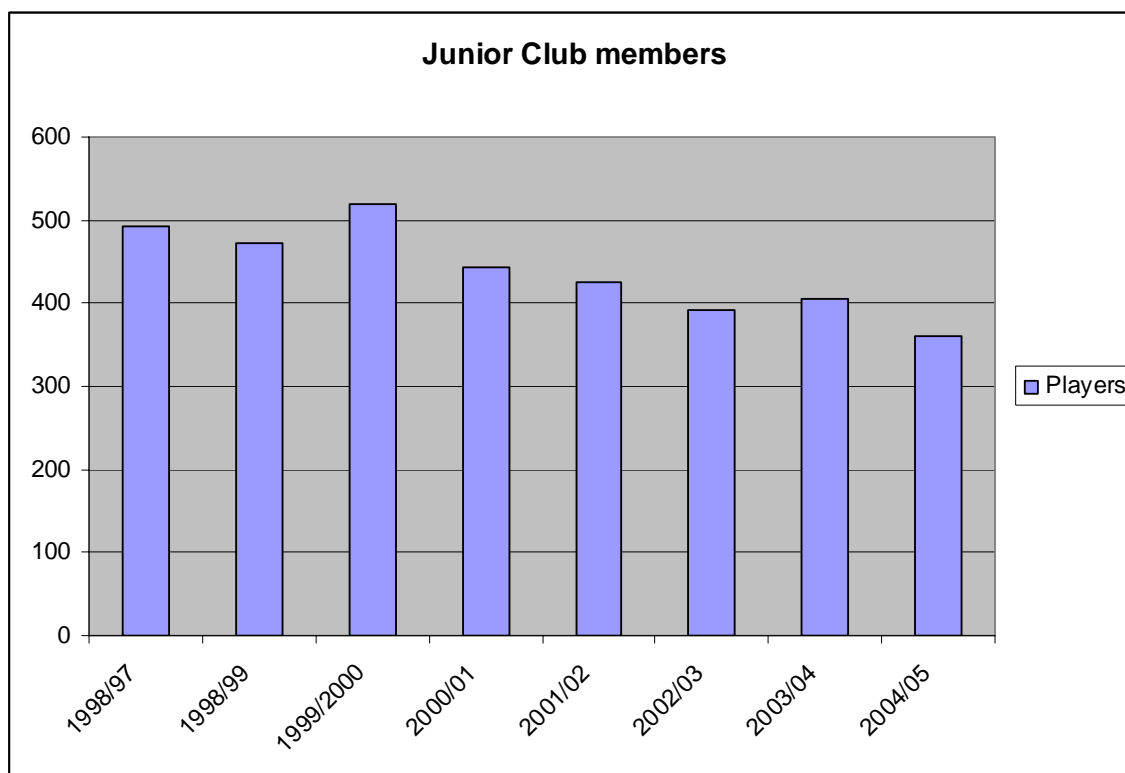

The grades, team and player numbers were as follows (where ages are mentioned, they were as at September 1, 2004):

Grade/Competition	Teams	Players	Teams	Players
	2004/05	2004/05	2003/04	2003/04
Nursery (Milo Have A Go)	1	23	1	39
Under 7	6	50	7	50
Under 8	6	50	5	58
Under 9	5	53	2	26
Under 10	2	23	5	64
Under 11	5	59	4	50
Under 12	4	45	3	35
Girls Soft Ball	2	10	0	0
Girls Hard Ball	1	15	1	13
U14/Colts/Premier	3	33	6	71
TOTALS	35	361	34	406

RELATIVE SIZE OF WELLINGTON/NORTH CITY JUNIOR CLUBS 2004/05

Club	Boys	Girls	Total Players
Collegians	328	33	361
Onslow	333	8	341
Easts	283	50	333
Karori	200	75	275

Tawa	152	30	182
Whitby	132	26	158
Mana	134	19	153
Brooklyn	47	0	47

As can be seen from the graph below junior club members have been declining over the past five years, this is despite the actions of Cricket Wellington who have been running a series of preseason promotional visits to local schools. We intend to meet with the PE teachers of the primary schools in our catchment area to try and gain a few new players for the coming season.

SATURDAY COMPETITION GAMES

The emphasis for players in Primary School cricket has always been on participation, having fun, and improving skills. The main focus for our teams in the 2004/05 season was on involvement in the Wellington Club competition.

As a Junior Club we look to provide an environment which nurtures a broad base of young players, from high achievers to those whose attitudes are more social. Our

mixed teams therefore include players at various levels of skill development and are pitched to attain a balance between the numbers of wins and losses.

Grade	Wins 2004-05	Wins 2003-04	Wins 2002-03	Wins 2001-02	Wins 2000-01

The success for the season was our premier teams' results; they went through the whole season undefeated. The pre Christmas premiers, coached by Greg Forsythe, came from 3rd place at the end of March 2004, to win all their games in the second half of the season and to take out the competition for the first time.

The premiers in the New Year, coached by Mike Scully and with two players from the pre Christmas team continued in the same vein and also went through undefeated to lead the competition as at the end of March 2005.

In 2004/05, there were no zone tournaments with selections for the Wellington age group teams coming from a series of trials firstly at the Stadium and then a game. The Club was again well represented in the Wellington teams with 11 players in the four age groups U11 to U14 inclusive.

TOURNAMENTS

We again had a good turn out at the summer tournaments. The club focused its efforts to the Hastings tournament this summer and sent five teams, two at U11, one at U12 and two at U13.

At Hastings all the Collegians teams found the cricket a challenge and performed well with all players greatly benefiting from the experience with the Under 11 A side winning two out of its six matches, the Under 11 B none out of six, the Under 12s five out of six, and the two Under 13 sides, four out of six and two out of six respectively.

Thank you to all the parents involved in the coaching and management of the teams.

COACHING

Tony Dawbin continued on in 2004/05 in the role of Coaching Manager. This is a key position coordinating the various coaching activities of the club.

As always, we rely on parent coaches and managers to provide coaching and administration at the team level. We are indebted to them for their sustained commitment and enthusiasm.

In 2004/05, the senior club obtained the services of Aaron McCash, Senthuran Selvaratnam. Sri Rajesaker and Nishant Goyat to run our junior coaching programme

including the Saturday morning Nursery Grade, their enthusiasm and knowledge was greatly received

In 2004/05, we again ran the pre season Spring Training at the Cricket Academy This proved to be a great success with 110 players involved. The program ran on Saturdays & Sundays over an 8 week period during September and October. The program was developed for the Club by the coaching team at the Cricket Academy. Plans are already complete to run the sessions in the coming months for 2005/06.

The 'open' approach to pre-season training is consistent with the Club's policy of nurturing as broad a base as possible of the Club's young players.

As well as hard ball training, two coaching clinics for softball players were held at Anderson Park. The first, which was combined with the pre-season coaches briefing and gear uplift, was particularly well attended.

PLAYER RECOGNITION

Prior to Christmas we farewelled our Year 8 players at the Year 8 Leavers function held at Anderson Park. The Graeme Hopping Cup, awarded to a Year 8 player who has displayed special qualities such as leadership and sportsmanship during the season, went to Ben Smit.

For the third consecutive year the end of season prize-giving functions were all held at the clubrooms on the same day, Sunday April 4th, with the various grades being divided into three sessions. The event included food available from our new sponsors Wholly Bagels. The formal prize giving consisted of each player being presented with a certificate as a member of his or her team. Players of the season for each team were presented with trophies provide by Wholly Bagels.

The new format again proved a more efficient way of concluding the season from an organisational point of view, and the functions were well received and well attended by players and parents.

WEBSITE

Collegians have unquestionably the best junior cricket club website in Wellington. Thank you to Charles Thompson who does an outstanding job administering the site.

The results, match reports and ground directories continue to be heavily used This site is used by opposition teams who frequently look to see who the key players might be. Charles further updated the site to allow authorised people the ability to load information without going through him

ACKNOWLEDGEMENTS

Thank you to all the members of the Junior Club Committee for their commitment and hard work throughout the year. Thank you also to the parents who willingly undertake coaching, management, and scoring duties for the teams.

Finally, thank you to the Senior Club, who's Chairman, Paddy Marra, and other Committee members happily provide support and encouragement for the activities of the Junior Club.

WOMENS CRICKET

Senior Women

Amanda Cooper (Senior Women's Captain)

After winning the senior women's competition last year it was always going to be a difficult task to repeat the effort in 2004/05. Having lost various senior players to other clubs, different sports, retirement and other commitments in general, this year was very much a rebuilding phase.

The season started poorly with a number of games being lost to rain and the rest of the games simply lost through lack of application. The season went from bad to worse when whilst playing for Wellington, the team's captain, Amanda Cooper, had her arm broken. This was a season ending injury with her arm in cast for the next fourteen weeks. In her absence Amy Burgess stepped into the role of captain, leading the team to a couple of wins. However all in all the season was pretty disappointing.

It wasn't entirely bad though, there were still a couple of bright notes, with the introduction of Elizabeth Scurr and Annabelle O'Reilly into the team. Elizabeth Scurr is a current member of the Otago Sparks and after moving to Wellington to take up a job, scored a ton on debut, which was fantastic. She was then named top run scorer for the season. Annabelle O'Reilly had also done a stint playing for Otago, all be it seventeen years ago. In returning to cricket this year she was a key member of the team putting a number of valuable bowling performances together and in the end was named bowler of the year.

In terms of Wellington Representative's this year a number of players were involved. Amanda Cooper and Sally Morrison were again involved with the Blaze team, Amanda as a player and Sally continuing on her role as Manager. Nicola Spring, Hannah Bedford, Amy Burgess and Wainui Bedford were all involved with Wellington Development Team for the first time, Wainui as Manager. Hannah Bedford, Priya Patel and Olivia Dean were all members of the Wellington Secondary School squad. These three were also selected for the Wellington Under 19 team that went to Australia mid year. Wainui was also Manager for both these sides.

In looking forward to next season, the team has gone through a tough year this year and learnt a lot from it. The young players have gained another year's experience under their belt and there is definitely no lack of talent with all the representative players the club now has. Next year will undoubtedly be more successful.

Finally a big thanks to Penny Kinsella and Wainui Bedford, the teams coach and manager for the invaluable contributions they have both made this year. Also thanks to the Collegians Committee, long suffering partners, families and friends for your support this year.

SUPER 8s – Division 1

Emma Marriott (Captain)

2004/05 was the inaugural season of the Super 8's Division 1 team, a team consisting of new players to the club and more notably to the game, and called on a few old (or should that be experienced) players to don the whites again. The team has been put together to gently ease school girls into playing club cricket at a senior level and the shorter form of the game means that it attracts social players back to the club.

After a shaky start marred by injury we hit our straps and over the season saw immense improvement in many of the players. We performed well as a team and very

exceptional strong in the field which is what's vital when there is only 8 members in the team. Notable performances include Emz playing in her 10th season for the club, Nok's great run of form with bat and ball (then running off to Dunedin at a vital stage of the season), Mel H's great catch, Mel T's bling bling and 4's, Phil's all round abilities, Liv's ability to perform under the influence of bribes, Alana's great job as a polyfiller who ended up playing the most games, and of course the monkeys for their support during our home games at Melrose park – thanks guys!!!

We ended up finishing the season seated solidly in the middle of the table with 8 wins and 8 losses a great all round team effort.

SUPER 8s – Division 1

Tania McCoard (Captain)

The 'Lower Order' Super 8's Division Two team did extremely well this year coming heartbreakingly close to winning the Division. Coming in to the last game of the season all that was required by us was to come away with a win. Unfortunately we were coming up against our bogey team Varsity, who was currently chasing a win to ensure a top three finish. With the day dawning fine with a light breeze, we won the toss and put them in to bat first (as our strength is chasing). With the monkeys, lions and chimps cheering us on from the nearby zoo we restricted Varsity to 156/3. High on confidence, we went in guns a blazing and promptly had a top order collapse followed by an extremely slow crawl through the overs to finish on 135/3. Sadly an excruciating 21 runs too short to ultimately place us second on the table behind overall winners Stokes Valley. Ah the luck of it! However – I am extremely proud of our team as two years ago we couldn't scrap 30 runs to our team name!

Reflecting back it was a close and tough competition this year, quite often having to chase scores of 160 plus in a limited over grade. We had stand out performances by Toni Hill, scoring 373 runs for the season with an average of 93.25 (which could have been higher if there wasn't a compulsory retirement placed on players) and Kerryn Young on 306 with an average of 102. However, this compulsory retirement provided a platform for others to step up in their batting performances and boy did we have some great cameos!

Sadly the 'Lower Order' had a dry season with wicket taking with a hard won battle between Keryn Morgan and Toni Hill fighting it out for top wicket taker. Going into the last game against Varsity, Keryn and Toni were tied on equal wickets. To make it even more exciting Keryn waited until the very last ball, of the very last over of the season to clean bowl middle stump and take out top wicket taker! Pure class! I won't mention the measly grand total of wickets we took (43) – next year we'll break the drought!

Other highlights included the stunning new uniform we implemented into the team halfway through the season. Cynics out there would question the choice of black colour polo's to play cricket in, but complete with Collegians logo and Collegians Black Caps we looked absolutely stunning on the field! We received many a compliment from other teams (as well as being told we looked intimidating which naturally boosted our confidence and performance on the field!!). Our team name was also finalised as the 'Lower Order' (rather appropriate don't you think!) with many christening sessions held at the clubrooms! Funny – we still seem to be having those christening sessions now.

Ultimately, the most successful year the 'Lower Order' has had in cricket, with Collegians really stamping their presence in the Women's Super 8 grade. Watch out Stokes Valley, we are coming for you next season!

COLLEGIANS SENIOR MEN'S TEAM REPORT**Scott McHardy**

After finishing second in 2003/04 there were not unreasonable hopes of moving out of the Hazlett Trophy during the 2004/05. Unfortunately, the season never really got into gear with only two outright wins (v Upper Valley and University) and a solitary one-day victory over University leaving the club in 6th place for the season.

From my perspective, the key feature in the team's disappointing season was the lack of consistent run scoring. We tended to lose wickets in big chunks, particularly at the top of the order, which meant that we were not in a position to capitalise on the decent bowling and fielding performances that we put in throughout the season (with one or two exceptions). On more than one occasion we were bundled out for less than 120 chasing very "gettable" totals.

There were no "honours board" performances this season from the batsman with the leading run scorer, Nishant Goyat, finishing with 475 runs at 26.4 and the highest individual score being Mark Burrough's 95.

That said, it was pleasing to see some of the younger players continue to develop through the season. Nishant was our top run scorer for the season and whilst he would be the first to admit that it was a little short of his own expectations, I am confident that he has the ability to score heavily and force his way into higher honours. Sri Rajasekar was able to put the serious injury of the previous season and played some very attractive innings, scoring 373 runs and he is another who should be looking to score heavily to push for further representative honours.

The bowling attack was lead by Garrick Sutherland who stepped up this season taking 40 wickets at 15.8. This was a superb return for a lot of hard work. Well done. Garrick was ably supported by Nick Palmer (27 at 16.4), Julian Brown (24 at 14.9) and Clinton Butler (22 at 14.2) who all took turns to shoulder the attack on more than one occasion during the season

The upcoming season will again prove challenging for the club as it seems that the hardest competition to win in Wellington is the Hazlett Trophy! I sincerely hope that the lads from the 2004/05 campaign will still be around next season as I believe that there is a great deal of potential within the wider squad.

Our club has a long and proud tradition and it has been my very great privilege to have been part of Wellington Collegians. Looking back, I definitely landed on my feet when I walked up to Anderson Park from the Terrace (albeit slowly and with a couple of stops!) to attend my first training session.

I wish Wellington Collegians and the senior side all the very best for the upcoming season and into the future.

All the very best

SENIOR RESERVES – SENIOR 2**Greg Haines**

This year's Reserve side provided a great deal of the clubs success this season.

After proving themselves worthy in the Senior Three grade last season, they made their mark known in the Senior 2 Competition, the place, might I add, they rightly deserved to be.

The side was considerably bowler dominant as the stats suggest with Michael McLean collecting 28 wickets, followed by Glen Eglinton with 23. Clinton Butler also chimed in with 12 wickets after playing just three days of Reserve cricket. Matt Johnston and Andrew Learmonth provided the mainstay of the middle overs with some stand out performances in the times of need.

Batting wise, Anil Dhull topped the totals with 223 runs followed by myself and Greg McDonald.

CJ Berry and Clinton Geeves were welcome new comers to the scene and proved themselves handy players in any position as of course did Jamie Tong with some very handy knocks (and a toping of the batting averages!)

As always Preston Marra was a standout, not so much with the ball this season but more so with his wealth of experience in the middle order, he will be sadly missed at the club as he has made his way to Auckland.

Other new comers in Senthil Selveneratnam showed the class of leavers Wellington College has to offer.

Overall the Reserve side this season has been an absolute joy to captain. The fantastic personalities and great cricketing abilities have ensured that the team is in terrific stead for the season ahead after leading the grade for much of this past season.

2A GRADE REPORT

AI Hill

As it was last year, the season this time around promised so much that it then failed to deliver and unfortunately for the same reasons.

2A at last looked the goods at the beginning of the season, we met Tawa on a rain-affected pitch and bundled them out for a paltry total with Dan Gyles and C J Berry rattling through the opposition. Unfortunately our batsmen were not up to the task and we were looking down the barrel of an opening defeat until Jerry Maguire decided enough was enough and spanked the winning runs to the boundary.

Our next game was our first 2 dayer versus University. We managed to win this by an innings, Danny Gyles again the chief destroyer slicing through the opposition batting line. Some of the new younger players also put their hands up – Nathan Brown gaining a hatful of wickets and Luke Cartmell, wearing his straw gardening hat, getting 70 odd runs. At this point we were in uncharted territory: top of the table!

It couldn't last... it didn't last. Christmas and the holiday season with it, we began to struggle with team numbers. Many enthusiastic people put their hands up for a day with the 2As but it didn't do well for our chances at taking the title. The weather provided its usual hodge podge of cancellations and conditions, regrettably getting in the way of us playing some of the lesser sides. The long and the short of this is we came in a solid fourth in the grade without setting the world on fire, and never realising the possibilities that presented themselves at the beginning of the season.

As far as individual efforts go a few do need some mention:

AI Thomas, for his fantastic century against Mana, or was it Tawa? Anyway it was a magnificent display of how to spank a cricket ball, and no less enjoyable because he was doing it to the headstrong idiot that looked like Mark Knopfler. He continued this kind of form for the season managing to crack the 500 runs for the season mark – exceptional.

Nathan Brown stuck his hand up as a spinner with talent, or maybe that is extreme luck? He managed to get players who were content to milk runs play some stupid shot to a fieldsman. He may have to handle the title of 'jammy sod' in the future.

Big Wayne Dog continued with good form this season, both with the bat and the ball. He bowled some of the most miserly overs I have seen in the grade and was a fantastic foil for 'Jammy sod' working from the other end. He also managed to be the destroyer of the Indians (yeah, we know who you are – University B indeed) when he lost about 5 balls in the gorse-covered bank beside Mac 3 for them.

Chris Howard, or Jonty, continued his bowling and batting prowess. He never really managed to get the results that just seemed to be around the next corner. His talents in the field were the ones to really behold.

Hoshie Hoshek. A bit like a home built sports car, able to make a lot of noise but really just something with a whiney gearbox that breaks down all the time... Hosh had a hard time with injury and ended up being a specialist batsman. He did provide some very entertaining innings in doing so but I know he was frustrated with the body. Thanks to him for carrying the none-to-enticing mantle of Captain – or more, Manager – while I was away.

Another Captain in own estimation if not actuality was 'slugger' Pilailis. I don't think any bowler has had a more frustrating batsman to bowl to. The old "show every wicket – then cross bat the ball over the boundary" school of playing. The thing is he was doing it with such regularity. For a while there he looked like he would unhorse horse for the mantle of highest run average.

What about Bish Patel? Bish had a quiet year. Usually you can't get him out of the runs, but this year he was a little more sedate. I think the most interesting memory from Bish was not on the field per se, but from his interpretations of the 'no ball' rule Umpiring against Onslow...

Bojan Cvetkovic, the man who put his hand up every time I asked for an opening batsman. This self-sacrificing quality also appeared when I asked for a 12th person to stand down when I couldn't count. Bojan wanted to give up the game when he wasn't getting the results he wanted – only to turn around and ask to be reinstated cause he didn't want the bastard to beat him. Excellent stuff!

The White Fox – Tony Hill. Another of the usually stalwart characters who didn't really fire like he would have wanted; I think maybe the need to use the bat as a walking stick made timing a problem. Still he managed to hand out better-informed and polished sledging than any others on the side – enough for one sighting of the opposition!

Or Angry Bundle and his side kick Kel Moller. Their little fracas in the nets was something to behold – still haven't managed to make them kiss and make up.

How about Rowdy? The man of many words. Toiled into the meanest Wellington wind. He didn't manage to capture as many wickets as he would have liked but he definitely created the pressure for some other prima donna to pick them up from the other end (Jammy sod maybe?). To me it is his reliability as a batsman that was the greatest surprise; he slowly but surely edged his way up the order.

Maybe last but not least should be Johnny Bennet, John turned out to be one of the best into the wind bowlers we had – pity the Captain was blind to his capabilities.

There were other helpers, so I am sorry if I left you out. I hope you enjoyed the season and are recuperating well during the off-season to ready yourself for the next battle.

THE 2C LIVING LEGENDS (AFASF) - soon 2B 2B

Dan Fraser

The 2004/05 season was the most successful season in Legends long and glorious history.

5 one day games – five wins.

5 two day games – five wins three by 10 wickets, one by 120 odd runs and one by default.

We won the grade by 45 points - Comprehensive.

Starting with a one wicket win in a friendly against the Falconhawks (who I might add were a pleasure to see week in and week out at the club) all the way through to our final win of the year against Karori.

We started the season with once again the core from last year but a few new faces were quickly added to the mix. Angry was unfortunately busy with work (and later planning weddings) and so had relinquished the captaincy which, by way of default, fell to me. I was lucky to have the very knowledgeable Stretch as vice captain to give advice as well as Angry, oh and Hoggy and Bumper andactually I think one and all had their say – a true Democracy!!

But with any team it is the actions on the pitch that are the most important. We, as a team, would like to congratulate Stretch on his fine knock of 132* and Digga for his impressive 114*. Also Digga for being top run scorer and tied with Angry as top wicket taker. As a measure of the all round ability of the team in the final day of the season five bowlers were competing for top wicket taker honours!!!

As a captain you have to make some difficult decisions at times, and in some matches players do not get much in the way of game time. At all times this year I had the full and unwavering support of my team mates. This team was a pleasure to play in. Thus I would like to individually thank some of the players.

Treacle – Always gave his all and as one of the few that did not bowl deserved a place higher up the order. I think that the upcoming season will be a big one for him.

Gargle – Developed this season into a true all-rounder whose ability should have him also playing a larger role this year. I am sure that 2A will be having a look at this man.

Ernie – A champion of a man to play with, even when he forgets his contacts and can not see. You bring you seeing eyes and you get more batting huh???

Bump – Another fine year and even a hint or two of a defensive shot???

Sam – We need to see more of this man!!

Wee Chris – The most unlucky man to play for us this year. Every time he got going a rough call or unplayable ball cut it short. So he headed off to the UK.

Johnny Mac – Hopelessly under-used. This I hope to remedy in the upcoming season. Gee, we may even let him bat!!!!

Angry – Yay with the wedding. Bo and hiss with the move to Brisbane. A huge loss to the team and the club.

Digga – Well batted in the second half of the season. A full season like that will have his name on the honours board again this coming season. Top wicket taker as well. Handy player for any team.

Hoggy – Thank you for all of the organizational work that you undertook with-out grumble, often chasing up players early on Saturday morning when our wayward Aussie went wayward. Also a fine effort behind the stumps – also a thankless task.

Stretch – Please do not retire. You can get one more season out of those bowling shoes!!

Wayno – As above (except minus the part about the bowling shoes).

Punchie – Will he show up?

This past year was a great one for the Legends and slowly but surely our legacy grows. Thanks for a great season and roll on 2005/06.

2D FALCONHAWKS

Owen Mann (Captain)

This was the first season for the mighty FalconHawk, a team consisting of the chaff from 2A and a brace of untried young men, whose enthusiasm for the game can only be matched by their same drive for beer.

Results on the pitch were somewhat mixed, despite, my bullish assertion that we would win the grade. We won a 2 day game and a handful of one-dayers and fought hard to draw a couple of games too.

Without exception the team played with real determination and no little humour. We were blessed with the services of Ashwin Skinnon, who batted with exuberance and flair and so often gave our scores a measure of respectability. With bowling we tried to give everyone a go, which worked out reasonably well, with everyone getting wickets and having a crack.

We will be back next season, better for the experience, and ready to claim the 2D Crown for Collegians. Ark Ark

THE 4AA'S

Gavin "Pontoon" Miller

4A Grade Champions

12 Wins, 4 Losses, 2 Draws

With the disappointing finish to the 2003/04 season, the Collegians 4AA side made a determined effort to hit the ground running for the 04/05 competition. Early dedication and a few training sessions proved fruitful – with the team showing great form with both the bat and ball. The first half of the season only saw one narrow loss – which led to a steely determination to succeed in our goal of winning the 4A Championship.

Batting proved to be the key factor for the team this year with very strong performances from the likes of Paul "Trick Cyclist" French (338 runs – including a season highlight, blistering 160 not out from 40 overs) and Jason Attewell (365 runs). Other batting highlights included Blair "Shunter" Cloutman's 130 vs Sikhs Sports, racked up in the space of about 17 overs, the fastest century witnessed by anyone in this side for a very long time. The batting crown however went to Roger "Dodge" Kinsella who accumulated 468 runs over the season and included 2 centuries and a handful of unbeaten stands at the crease.

As a unit, the bowling was effective and economic on the whole, with the usual suspects turning up in the wicket column. With an early season injury restricting Gavin "Pontoon" Miller to only light workloads with the ball, alternatives were found to open the bowling. Highlights were the introduction of Johnny "Sandwiches" Halstead as an aggressive medium pacer, and some great quick spells from Rob "MacGyver" McIver.

The leading wicket takers were Andy "AndyPimp" Graham and Jamie "Jenny" Craig with 10 each, Rob "Wookie" Wilkinson with 11 and "Shunter" Cloutman with 17. However, it was the evergreen Cyril "b." Mako triumphed with 18 wickets for the season.

The team showed an overall display of determination and dedication to the goal of taking out the division. This showed in the way we played with well thought out tactics and the attitude of hanging in and dominating other teams. This showed through in a few close games where we came out on top, when the result could have gone either way. What shone through the most was the ability for someone to stand up and deliver a match winning performance at key times – and quite often it was a different player each week. A great season campaign by all the players for the season – and congratulations must go to everyone who played in the side – as this year was truly a team effort.

Once again a special thanks to Dilip, Sandy, Mal and the rest of the committee for organising the season – the team appreciates your efforts greatly.

Roll on summer.

THE AXEMEN – COLLEGIANS 4A'B'

Ryan Standish

The Axemen came crashing down to earth after some deceptive good form during the 2003-2004 season. The main culprit for this seemed to be some fairly average captaincy by yours truly. I saw sense about half way through the season and handed the captaincy over to Sam Heather who did an admirable job of bringing the boys together while also trying to shore up both our batting and bowling. A lot for one man to take on!

We ended up disappointingly close to the bottom of the table and rueing some lost opportunities early in the season when we just couldn't convert (under my captaincy).

In previous seasons we have been dogged with an unsettled line-up. This season did not disappoint and once again we fielded more players in a season than the 2003 Springboks! Fortunately this did not dampen our spirits too much and we enjoyed a few good nights at the clubbies and watching the black caps.

Highs:

- Bowser's huge 118 against Easts at Ian Galloway (equalling the team record for four seasons). Unfortunately we still couldn't win the game.
- Logan's champion fielding
- Sam's captaincy and ability with both bat and ball
- Chris holding all our innings together and often being the only one apart from Sam to know which end of the bat to hold
- A winning record against the 4A'A for the season (Glen will tell you something about dodgy umpiring but don't believe a word of it)
- Glen's 32 wickets for the season
- All the fun had by all both on and off the field

Thanks to all the boys, regardless of the results it was once again an enjoyable season. I'd like to particularly mention Bowser for providing most of the ring-ins when we were short and helping organise. Also thanks to Chris for stepping in for me on a few occasions and helping organise and Sam for taking on the mantle of captain and doing a fantastic job.

Thanks to the committee for all their support. I'm looking forward to 2005/2006.

TREASURERS REPORT & FINANCIAL STATEMENTS

TREASURER'S REPORT

Ryan Standish

The surplus of \$23,479 represents another good financial result for the Club. Both the Senior and Junior Clubs recorded surpluses of \$12,355 and \$11,124 respectively.

Senior Club

Income

There was an increase in income received by the Senior club of \$7,887. The main reasons for this were:

- Active pursuing of Grants for many of the day to day operations of the club. Work from both Paddy and Mal led to an increase of \$4,050 for grants received when compared with last year.
- Trading Income over the bar was healthy with an increase of \$3,697. Many thanks to Dilip for all his work here.
- There was also an increase in subscriptions due to some uncertainty at the start of the season regarding grant income. This has led to an increase of \$1,555 in subscriptions received when compared with last year.

Expenditure

There was also an increase in expenditure of \$4,850 compared to 2004. The main reasons for this were:

- \$8,296 was spent on Coaches Payments for the financial year. This was to do with coaching for many of the Junior club teams as well. This was paid for by a grant provided by the Lion Foundation.
- This was off-set by a large decrease in other expenses for the Senior club of \$8,611. The big item in here last year was upgrades for the nets which we did not have to complete in 2005. It is anticipated that there will be money spent on this in 2006.
- Otherwise there have been some smaller increases in costs for the day to day running of the club. As noted earlier this was offset by the ability to get grants for a lot of the day to day operational expenditure.

Notes to the Financial Statements
For the Year ended 31 May 2005

1. Statement of Accounting Policies

A General Accounting Policies

The Club was registered as Wellington Collegians Cricket Club (Incorporated) with the Registrar of Incorporated Societies in December 1980. Financial Statements, which have been adopted by members at an Annual General Meeting and subject to audit, are required to be placed on public file with the Registrar on an annual basis.

- (i) These financial statements have been prepared with application of generally accepted accounting practices as defined in the Financial Reporting Act 1993.
- (ii) The principles of measurement and reporting of financial performance and position under the historical cost method has been applied.

B Specific Accounting Policies

The following specific accounting policies which significantly affect the measurement of financial performance and position have been applied:

(i) Depreciation

The principal rates of depreciation used were as follows:

Equity in Pavilion Lease	Nil
Gear	50% in year 1 25% in years 2 and 3
Pavilion Equipment	10% diminishing value
Pavilion Alterations	10% diminishing value

(ii) Sundry Debtors

Debtors and subscriptions in arrears are stated at estimated realisable value.

(iii) Stock

Stocks are stated at the lower of cost or net realisable value.

2. Fixed Assets

	Cost \$	Accumulated Depreciation \$	2005 Net Book Value \$	2004 Net Book Value \$
Equity in Pavilion	4,425	0	4,425	4,425
Pavilion Alterations	17,765	17,282	483	537
Pavilion Equipment	1,902	1,422	480	719
Covers	2,210	691	1,519	2,072
Playing Gear	10,524	6,570	3,954	2,616
Trophies	51	0	51	51
Total	\$36,877	\$25,965	\$10,912	\$10,420

The playing gear represented above relates only to the Senior Club. The Junior Club does not capitalise playing gear. All Junior Club playing gear is instead expensed in the year it is purchased.

3. Term Deposits

Surplus funds and the funds representing the A D Grey Memorial Fund have been placed on deposit with The National Bank of New Zealand. At balance date there were two deposits earning 6.25% and 5.75%, one rolling over at 3 month intervals and the other at 4 month intervals.

Audit Report

To the Members of Wellington Collegians Cricket Club (Incorporated)

I have audited the financial report on pages 1 to 4. The financial report provides information about the past financial performance of the Wellington Collegians Cricket Club (Incorporated) and its financial position as at 31 May 2005. This information is stated in accordance with the accounting policies set out on page 4.

Club Committee Responsibilities

The Club Committee is responsible for the preparation of a financial report which fairly reflects the financial position of the club as at 31 May 2005 and of the results of operations for the year ended 31 May 2005.

Auditor's Responsibilities

It is my responsibility to express an independent opinion on the financial report presented by the Club Committee and report my opinion to you, the members.

Basis of Opinion

An audit includes examining, on a test basis, evidence relevant to the amounts and disclosures in the financial report. It also includes assessing:

- * the significant estimates and judgements made by the Club Committee in the preparation of the financial report.
- * whether the accounting policies are appropriate to the Wellington Collegians Cricket Club (Incorporated) circumstances, consistently applied and adequately disclosed.

I conducted my audit in accordance with generally accepted auditing standards in New Zealand except that my work was limited as explained below. I planned and performed the audit so as to obtain all the information and explanations which I considered necessary in order to provide sufficient evidence to give reasonable assurance that the financial report is free from material misstatements, whether caused by fraud or error. In forming my opinion I also evaluated the overall adequacy of the presentation of the information in the financial report.

Apart from my role as auditor I am a coach of a team in the Junior Club, whose financial results are incorporated in these accounts.

Qualified Opinion

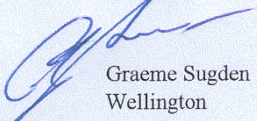

Control over revenues prior to being recorded is limited, and there are no practical audit procedures to determine the effect of this limited control.

In this respect alone I have not obtained all the information and explanations that I have required.

In my opinion, except for adjustments that might have been found to be necessary had I been able to obtain sufficient evidence concerning revenues, the financial report fairly reflects the results of operations for the year ended 31 May 2005.

In my opinion the financial report fairly reflects the financial position of the Wellington Collegians Cricket Club (Incorporated) as at 31 May 2005.

My audit report was completed on 9 August 2005 and my qualified opinion is expressed at that date.
